

## MAKE UP ASSIGNMENT FOR CHOIR CONCERT

If you missed the concert, you must do the alternate assignment/evaluation for a substantial part of your grade.

You may research on the internet (cite all sources), use the library/books, etc.

Report is due no later than ONE WEEK AFTER THE CONCERT. (You may email assignment to Mrs. Frank at: [jfrank@susd.org](mailto:jfrank@susd.org))

1. ***Concert Evaluation:*** Listen to or attend a choir concert and evaluate the performance in a one-page report. Examples include, watching a taped recording of another choir's entire performance or attending a high school choir concert. You could also watch eight videos of various school choirs performing on youtube and that could be considered a concert. Evaluate these performances in a one-page report. Please **provide the url website address for each video watched** or email Mrs. Frank the links.
